Copyright Ownership

- 4.02.01 AUSU owns or has full permission for the use of any and all photographs, graphics, written materials, multimedia or other content on the AUSU website. By submitting any of the above to AUSU, you agree that AUSU has full permission for the use of that item in any manner it so chooses, unless specific other arrangements are made.
- 4.02.02 AUSU cannot grant reprint permission for any items not owned by AUSU.

Re-Use of AUSU Content in Printed Form

- 4.02.03 Articles, photos, and other content for which the copyright is owned by AUSU may not be reprinted, republished, or otherwise redistributed without the express written permission of AUSU.
- 4.02.04 A fee may or may not be charged for reprint permission of an article, photo, or other content at the sole discretion of AUSU.

Re-Use of AUSU Content on the Internet

- 4.02.05 Quoting from a copyrighted source may be permissible, as long as it is consistent with the "fair use" doctrine of Copyright Law. But no copyrighted work may be used in its entirety, in "substantial" proportion, without proper citation of source, or otherwise in violation of the "fair use" doctrine. AUSU welcomes hyperlinks from other websites, and understand that limited quotations are a normal accompaniment to such links. Though not legally required, AUSU would appreciate notification of such re-use of its copyrighted content.
- 4.02.06 Re-use of any article, photo, multimedia or other content, in its entirety or otherwise in violation of the "fair use" doctrine, for which the copyright is owned by AUSU is strictly

prohibited without the express written permission of AUSU.

4.02.07 A fee may or may not be charged for reprint permission of an article, photo, or other content, at the sole discretion of AUSU.
