Degree Minor Specifications

POLICY RESPONSIBILITY

Council

POLICY

WHEREAS a degree minor helps to announce a focus within a major degree, and enhances degree credibility, and

WHEREAS a minor permits students to pursue additional credentialed areas of interest without the restrictions of a double major, and

WHEREAS studying for the specifications of a minor degree can give students additional skills to increase their competitiveness in the job market, and

WHEREAS all other universities in Alberta currently offer minor degrees, and

WHEREAS AUSU members have expressed a desire for the ability to specify their minor degree concentration as well as their major degree program, therefore

BE IT RESOLVED THAT AUSU petition Athabasca University to add minor degree specifications to the degree programs.
