POLICY

WHEREAS Athabasca University does not currently offer career services to students;

WHEREAS career services are a standard offering for most post-secondary institutions, and an important factor when students consider a school;

WHEREAS AUSU members frequently express a desire for resume assistance, co-op opportunities, and job search assistance ;

WHEREAS in some degree programs, obtaining co-op or practicum placements is required for program completion;

AND WHEREAS AUSU believes that there is a proven correlation between the offering of career services and student satisfaction and retention;

BE IT RESOLVED THAT AUSU shall petition Athabasca University to offer career services including , but not limited to, resume and job search assistance, information on career fairs, job placements, and co-op opportunities.
